

My Destiny

Roger Hammer

Tenor

The musical score for the Tenor part is written on a single staff in treble clef with a key signature of three sharps (F#, C#, G#) and a 4/4 time signature. The score begins with a guitar introduction marked 'D' and a '7' indicating a barre. The lyrics are: 'When I first saw her It was like I'd never seen be-fore And when I walked with her Her presence opened every door And when I talked to her She made me feel wild and free Then when I called her name I knew she'd be my Destiny'. The score includes various musical notations such as rests, eighth notes, quarter notes, and half notes, along with chord changes marked 'D', 'A', 'G', and 'D'.

Guitar intro

When I first saw her It was like I'd never seen be-

-fore

And when I walked with her Her presence opened every door

And when I talked to her She made me feel wild and free Then when I

called her name I knew she'd be my Destiny

2. How well I'd love her well I didn't really know
Would I think of her everywhere that I go?
As yet I couldn't tell just what would come to be

But when I called her name I knew
She'd be my Destiny

3. Soon many years went by with my lover by my side
We had the best of times; I was her man, she was my pride
And if I ever doubt just what she means to me

I only call her name and I know that
She's my Destiny

And if I ever doubt just what she means to me

I only call her name and I know that
She's my Destiny
